INTERFIT – EXTEND COOL LITE RANGE WITH THE MONSTAR 3

Interfit, one of the leading manufacturers of photographic lighting is pleased to announce the arrival of the new Monstar 3 lite adding to the versatile Interfit cool lite lighting range.

The new Monstar 3 is available as a single softbox kit in an easy to transport carry case.

The Monstar 3 is an affordable solution to modern studio lighting, having a uniform light source enables the photographer to capture excellent results, proven in many studios all over the world.

Using an established lamp the Monstar provides 150 watts of light from each lamp equivalent to 600 watt of Tungsten lighting, therefore 3 is equal to 1800 watts per head, ideal for larger Portraits groups and Product photography.

Each head comes complete with

1 x head, 3 x lamps , 1 x Bag, 1 x softbox and power cables.

Available from all Interfit dealers starting at £379.99 in July May 2009

Further information is now be available on the Interfit Website www.interfitphotographic.com
